CV RAMAN
SCHOOL FOR IIT-JEE

Be ahead of time. Reach the skies.

GATEWAY TO WORLD'S HIGHEST PORTALS OF LEARNING...

TOWARDS EXCELLENCE

CV Raman. The very name connotes an intelligence of the rarest kind, and pursuit of excellence of the highest order. At CV Raman School, we are dedicated to fostering that spirit alive, through our holistically tailored program for ambitious youngsters, who dream of entering the highest portals of learning in India (**IITs, AIIMS**) & World (**MASSACHUSETTS INSTITUTE OF TECHNOLOGY (MIT), HARVARD,**

STANFORD etc.,) We are headquartered in Coimbatore and are a team of experienced and qualified teaching professionals, with a passion to impart comprehensive learning and understanding of the **rudiments of the Sciences and Mathematics.**

PREMIER ASPIRATIONS. PREMIER INSTITUTIONS.

To become a part of World's premier institutions demands, a different perspective to the concept of learning. Training programs for **IIT-JEE, AIIMS - PMT, SAT**, often tend to be rigorous and in-depth. Naturally, such programs tend to **coincide with the mainstream curriculum.**

LEARNING WITH A DIFFERENCE

At CV Raman School, we understand the demands such training schedules have on a child's day-to-day routine. Typically, the schedule is spread over three phases with adequate time intervals between consecutive phases.

Our faculty bring with them **more than 20 years in the field specific training** and this has given us the advantage of delivering quality training to meet the exacting demands of **IIT-JEE, AIIMS - PMT, SAT**. At the same time, we empathise with our students and help them to cope with the unrelenting pressure to succeed. Therefore, whilst our students learn to master subjects for their age, they also learn the values and codes that help students hone the right attitudes.

OUR MISSION

- Ensuring that students understand the fundamental concepts of Science and Maths
- Increase cutting edge knowledge of the student pool, through progressive steps
- Impart focussed training to increase the mental ability of students through classes of verbal and non-verbal reasoning
- Partnering students to realise their aspirations

C V RAMAN SCHOOL OFFERS SPECIFIC, TAILOR-MADE PROGRAMS:

Program	Name of the course	Duration of the Program	For students	
			Presently in	Going to

Crash Course for JEE Main, BITS, Amrita, VIT, etc. Crash Course for AIPMT, JIPMER, CMC - Vellore etc.		Approximately 25 Days	Immediately after 12th Board Exam	

WHIZZKID 1

For students going to VI
One year foundation program for NTSE & Junior Olympiads

In this program, we focus on developing **logical and analytical thinking, reasoning ability** and **other life skills**. Students learn the rudiments of Maths and the Sciences in line with the CBSE, ICSE, IGCSE and IB curriculum. At the same time, this course also prepares students for the Junior Olympiads in Science & Maths as well as the NTSE.

WHIZZKID 2

For students going to VII
Two year advanced foundation program for Junior Olympiads & NTSE, IIT / AIIMS foundation

The aim of Whizzkid 2 is to **advance the understanding of Mathematics and Science** and to increase students' ability to compete. The program keeps students abreast of the latest developments and methods, and national competitive exams in these fields. Students are trained to appear for the Junior Olympiads in Maths & Science, and the NTSE.

Why IIT Foundation from middle school years ?

1. Early preparation provides ample time to develop and master intellectual skills in a systematic manner, thus making learning stress-free
2. Phased approach to learning
3. Early start gives students the mandatory lead in the competition

EVOLVING PRODIGY

For students going to VIII
One year advanced foundation program for Jr. Olympiads & NTSE, IIT / AIIMS Foundation

Speed and Accuracy play an important role in scaling the heights of competitive exams. Students must develop the habit of quick cognitive analysis and calculation in order to excel academically. They need to think on their feet, understand basic requirements, identify relevant information sources and use them correctly. This training program is directed towards enhancing their competency in all these areas, while giving them a competitive edge in various national and state level exams and builds a strong foundation for IIT-JEE, AIIMS - PMT, SAT, NTSE, KVPY during middle school years.

For Students going to IX

4 year Integrated year long classroom contact program (YCCP) for NTSE, OLYMPIADS, KVPY & JEE (ADVANCED) (2018)/ AIIMS - PMT 2018 & BOARD EXAMS

We at CVRS are committed to the intellectual, spiritual, social and overall development of the students. A special dedicated Star Batch consisting of Top 5 to 30 students is formed to provide concentrated efforts, highest academic and administrative care to produce top ranks. The team of experienced and stable faculties with the blend of vision and enthusiasm along with strong academic and administrative system supports students in learning by sharing of knowledge, self practicing through smart study material and attaining confidence and time management skills through intelligent test system. Motivation, guidance and personal care lead them to achieve their best ranks in JEE / AIIMS-PMT and other Engg / Medical Entrance Examinations. We provide three layers of preparation - for Boards, JEE Main / AIPMT and JEE Advanced / AIIMS-PMT. Intelligently crafted JEE & AIIMS Division at CVRS closely moulds and crafts the aspirants with what they want to be, where they wish to go and how they want to make it. **Every student of the program is a mission for us.**

Salient Features

- Developing strong fundamentals and rooting the concepts in student's mind.
- In-depth teaching which links the topic to that of higher classes
- Early start for IIT-JEE & AIIMS - PMT preparation provides edge. The two-Year syllabus of IIT-JEE & AIIMS - PMT is split over four years for better conceptual clarity & fundamental building.
- Exhaustive syllabus coverage for IIT-JEE & AIIMS-PMT due to more availability of time compared to traditional two year/one year courses.
- Course contents are developed after extensive study of competition, research journals and fundamentals.
- Spotlights on building concepts highlighting the important concepts and common misconceptions of students
- Workshops for KVPY, OLYMPIAD and other competitive exams are organized.
- Develops quick analytical thinking & systematic problem solving skills
- Our team mentors each student to provide academic guidance, personal care and motivation to students to get their best academic output.

For Students going to X

3 year Integrated year long classroom contact program(YCCP) for NTSE, OLYMPIADS, KVPY & JEE (ADVANCED) (2017)/ AIIMS - PMT 2017 & BOARD EXAMS

JEE / AIIMS-PMT preparation requires a sharp, curious and keen mind, focused attention, consistent efforts and strict discipline. Targeting an Engineering/Medical career with the firm foundations at CVRS is advantageous for the students and gives them an edge.

In this Three Year Course we NURTURE the students in scientific manner with the stress on fundamentals. During this course we help students building up solid foundation of concepts and analytical approach towards problem solving. Our specially designed syllabus covers in step by step manner with confident backup to board exams as well. In this program, we enhance the ability of learning of students, develop their competitive aptitudes and prepare them for the highest level of achievement in school level also.

Ultimate system of personal care and academic guidance is put in place, helping us to get in touch with our students for monitoring their performance and activities which leads them to success.

Along with these parameters students moves forward in achieving success in JEE / AIIMS to accomplish selection with starry heights, with thoughts of prosperity and or their career at large. At CVRS the ways to career in engineering & medicine are made simple.

ACUMEN for JEE (MAIN & ADVANCED)

For students having completed X

2 year Integrated Year long Classroom Contact Program (YCCP) for JEE and +2 Board Exam

This course also covers BITSAT, VITEEE, AEEE and various other prominent National Level Engineering Entrance Examinations.

Engineering is amongst the few professions where creativity and ingenuity knows no bounds. Moreover if you are the one among those who look for challenging opportunities then probably, engineering is the most ideal profession to opt for.

“Engineers play an important role in the development of the nation and add to its international stature in a big way.”

GREY MATTER for AIIMS - PMT, AIPMT

For students having completed X 2 year Integrated Year long Classroom Contact Program (YCCP) for AIIMS, AIPMT & +2 Board Exam

This course also covers AFMC, CMC Vellore and various other prominent National level Medical Entrance Examinations.

A doctor's profession gives the satisfaction of curing patients and at times even saving lives. It is a very demanding profession. To be in this profession is more a responsibility than a privilege. It is more of what you can give the community than what you can get from it.

“The Doctor profession gives the satisfaction of curing patients and at times even saving lives.”

COURSE HIGHLIGHTS (for Acumen & Grey matter)

- 1000+ hours of classroom teaching in 2 years
- Comprehensive course material
- Weekly Practice Papers - 180 in two years
- A student can learn and practice nearly 7500 questions as per the new pattern of JEE/AIPMT, in these two years along with the regular classroom questions and regular tests
- Regular doubt clarification & revision sessions
- Personal counselling sessions by experts
- Exam orientation sessions by experts
- Complete syllabus of JEE/AIIMS - PMT for Class XI & XII will be taught
- Complete syllabus for +2 Board Exams will be covered in Phy, Che, Mat/Bio
- Weekly, monthly and chapter wise tests and examinations with constructive feedback
- Mock Test Series
- Periodic Assessment and Testing based on the updated examination pattern of JEE/AIIMS - PMT helps the student to be well prepared for the prominent engineering & Medical entrance examinations

COACHING METHODOLOGY (for Acumen & Grey matter)

- Teaching of fundamentals leading to quick understanding of concepts, less focus on memorizing concepts
- Application Oriented Learning thus enhancing problem solving skills
- Faculty with more than 2 decades of experience in field specific training will handle classes
- Building competitive aptitude among children
- The weekly home assignments leads to strengthening of concepts
- We believe in interactive learning through regular classroom discussions
- Personal attention leading to enhanced success rate

TESTIMONIALS

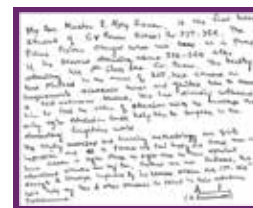

Ajay Sriram .R (10th Std)

STUDENT SINCE 2011

LISIEUX SCHOOL, CBE

Student of

- 1) **EVOLVING PRODIGY – II** – Two Year Classroom Program
- 2) **EVOLVING PRODIGY – I** – One Year Classroom Program (8th Std)

Mr. S. Raghavendran (Parent), **GM, ERBATECH Machinery Pvt. Ltd, CBE.**

My son Master R. Ajay Sriram, is the first batch student of C.V. Raman school for IIT - JEE. The prime positive changes what we saw as a parent is, he started dreaming about IIT - JEE after attending his 1st class at C.V. Raman. The healthy seed planted in the name of IIT, had created an unquenchable academic thirst and guided him to become a self motivated student. This had directly influenced him to feel the value of education with the message that only right education could help him to compete in the demanding competitive world. The study material and teaching methodology are quite impressive and as a parent we feel happy and proud that we have chosen a right place at right time to have essential educational vitamin for my son. Further we are confident, the strength and courage implanted by C.V. RAMAN SCHOOL for IIT - JEE will help my son & other students to excel in their academic performances.

Vishnu Prashanth. K (11th Std)

STUDENT SINCE 2011

SBOA MHSS, CBE

Student of

- 1) **ACUMEN** – Two Year Classroom Program
- 2) **EVOLVING PRODIGY – III** – One Year Classroom Program (10th std)
- 3) **EVOLVING PRODIGY – II** – One Year Classroom Program (9th Std)

Having studied at C.V. Raman School for IIT -JEE for the past couple of years, I feel the difference in school and other places as I have an edge over the others. I feel very much ahead of my peers and I also have become aware of the competition that exists in the outside world. I attribute this , primarily to the excellent teaching faculty and encouraging staff at C.V. Raman, This has made me feel extremely happy that I took the decision of joining this institution and wish it all the success in the long run.

Sundaresan. M (10th Std)

STUDENT SINCE 2011

BVB MHSS, CBE

Student of

- 1) **EVOLVING PRODIGY – II** – Two Year Classroom Program
- 2) **EVOLVING PRODIGY – I** – One year Classroom Program (8th std)

After joining C.V. Raman, I am able to understand concepts very easily. I am also able to perform very well in school since the syllabus here is very much beyond school syllabus. I have got to know more about this competitive world, and how much other people put in efforts. The faculty and the study material here are the best. I am very much happy that I am a student of C.V. Raman school for IIT - JEE.

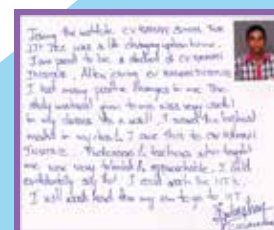

Sudarshan. C (10th Std)

STUDENT SINCE 2012

KENDRIYA VIDYALAYA, CBE

Student of

- 1) **EVOLVING PRODIGY – II** – Two Year Classroom Program

Joining the institute C.V. Raman School for IIT - JEE was a life changing option to me. I am proud to be a student of C.V. Raman. After joining C.V. Raman I had many positive changes in me. The study material given to me was very useful in my classes. As a result I scored the highest marks in my class & I owe this to C.V. Raman institute. Professors & teachers who teach me are very talented & approachable. I could confidentially say that I could reach the IIT'S. I will work hard for my aim to go to IIT.

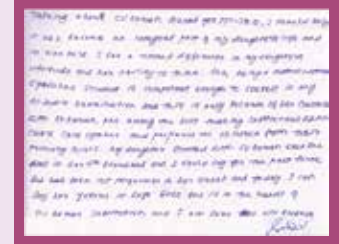

Aishwarya. R (9th Std)

STUDENT SINCE 2011

AVILA CONVENT, CBE

Student of

- 1) **EVOLVING PRODIGY – II – Two Year Classroom Program**
- 2) **EVOLVING PRODIGY – I – One Year Classroom Program (8th Std)**
- 3) **WHIZZKID – II – One Year Classroom Program (7th Std)**

Mrs. Sudha Ravi (Parent), Product Manager (PPTS)

Talking about C.V. Raman School for IIT - JEE, I should say it has become an integral part of my daughter's life and in turn ours. I see a marked difference in my daughters attitude and her ability to think. She being a Samacheer syllabus student is competent enough to contest in any All India examination and this is only because of her classes with C.V. Raman. One among the best teaching institutions which covers CBSE syllabus and much more and prepares the children from their primary levels. My daughter started with C.V. Raman when she was in her 7th standard and I would say that in the past three years she has been top performer in her school. Today I can say her future is safe since she is in the hands of C.V. Raman institution and I am sure she will emerge as an Engineering graduate from India's top institution without hassles.

Venkatesh. R (7th Std)

STUDENT SINCE 2012

THE PSBB MILLENIUM SCHOOL, CBE.

Student of

- 1) **WHIZZKID – 2 – Two Year Classroom Program**
- 2) **WHIZZKID – 1 – One Year Classroom Program (6th Std)**

The change in me after going to C.V. Raman is very high. I get good marks in Maths & Science. I have got an inspiration to become a Scientist. There are many students to compete with in academics. There are so many well trained teachers who are experienced in their fields. There are many books which they give and they also introduce many good books. They teach by correlating with many incidents and things and clear all our doubts. They give us many exam opportunities like, NTSE, IJSO, RMO etc. So, I have taken a very good choice to study in C.V. Raman.

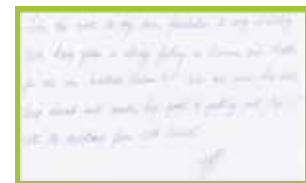

Krithik Sudan. V.T (7th Std)

STUDENT SINCE 2012

VIDYA NIKETAN MHSS, CBE

Student of

- 1) **WHIZZKID – 2 – Two Year Classroom Program**
- 2) **WHIZZKID – 1 – One Year Classroom Program (6th Std)**

Mr. V. Tamarasu (Parent), Business Man, CBE

Like the root to any tree, foundation to any building CV Raman school have given a strong footing in Science and Maths for our son Krithik Sudan. VT. We are sure he will leap ahead and reach his goal of & getting into top IIT with the assistance from C.V.R School.

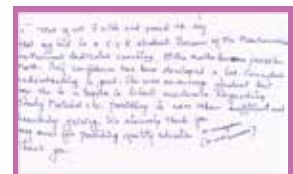

Premika. M.N (10th Std)

STUDENT SINCE 2012

NATIONAL MODEL CBSE, CBE.

Student of

- 1) **EVOLVING PRODIGY – II – Two Year Classroom Program**

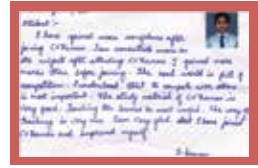

Mr. M. Narayanan (Parent), Deputy General Manager, Indus Towers Ltd, CBE.

First of all I wish and am proud to say that my kid is a C.V. Raman student. Because of CV Raman school's motivational dedicated coaching, Bitter Maths become passion math. Self confidence has been developed a lot. Concept understanding is good. She was an average student but now she is a topper in School academics. Regarding study material etc, whatever provided is more than sufficient and knowledge gaining. We sincerely thank you very much for providing quality education

S.KAAVYA (10TH STD),
STUDENT SINCE 2012
ANGAPPA CBSE SCHOOL, CBE.
Student of
1) **EVOLVING PRODIGY –II** – Two Year Classroom Program.

I have gained more confidence after joining CV Raman. I can concentrate more on the subjects after attending CV Raman. I gained more marks than before joining. The real world is full of competition. I understood that to compete with others is most important. The study material of CV Raman is very good. Teaching the basics is most useful. The way of teaching is very nice. I am very glad that I have joined CV Raman and improved myself.

Ritwaj Shukla (12th Std)
STUDENT SINCE 2012
GD MHS SCHOOL, CBE.
Student of
1) **ACUMEN** – Two Year Classroom Program

I feel that C.V. Raman has made me more disciplined and regular, In C.V.Raman, more emphasis is given on understanding the concepts. It has given us exposure to the competition in the real world. The faculty is just amazing. They have helped us throughout these two years. I am very happy to have joined C.V. Raman and am sure that I have made the right decision by joining here.

Sonali Naresh (11th Std)
STUDENT SINCE 2013
AVILA CONVENT, CBE
Student of
1) **ACUMEN** – Two Year Classroom Program

After joining CV Raman I have become more disciplined and mind has become more focused. I have become more aware about the importance of hard work. My time management skills has improved very much. CV Raman has helped me in improving my academic performance. After joining CV Raman I have got a fair idea about the competitive examinations. The CV Raman faculty is the best. Study materials and the teaching techniques are most useful. I and my parents are very glad that I have taken the right decision to have joined CV Raman.

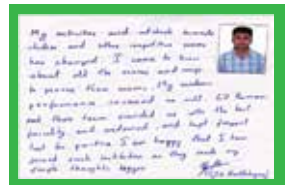

SHREYA SHANKAR (9TH STD),
STUDENT SINCE 2012
BVB MHSS, CBE.
Student of
1) **EVOLVING PRODIGY- II** – Two Year Classroom Program
2) **EVOLVING PRODIGY- I** – One Year Classroom Program(8th Std)

I am finding school science & mathematics easy as I am taught high level science and mathematics. Before joining here, I could not get above 95% in mathematics (I got only above 90%) and above 90% in science. But now, I get 99% in mathematics and 96% in science. My writing speed has improved. My conceptual understanding has improved.

J.K.KARTHIKEYAN (12TH STD)
STUDENT SINCE 2012
CHAVARA VIDHYA BHAVAN, CBE.
Student Of
1) **ACUMEN** – TWO YEAR CLASSROOM PROGRAM

My activities and attitude towards studies and other competitive exams has changed. I came to know about all the exams and ways to pursue those exams. My academic performance increased as well. CV Raman and their team provided me with the best faculty and material, and kept frequent test for practice. I am happy that I have joined such institution as they made my simple thoughts bigger.

Mukhil Sarvesh (7th Std),
 STUDENT SINCE 2013
GD Matric HSS, CBE.
 Student of
 1) **WHIZZKID - 2 - Two Year Classroom Program**

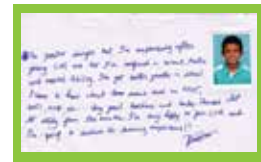

MR.S.SIVAPRAKASH (Parent), **AEE, TANGEDCO, TIRUPUR**

We as committed parents, wanted our son's (S. Mukhil Sarvesh of std VII) vision to persue his higher studies in National / International level Institutions, to get materialised. We have chosen CVR School for IIT - JEE as it had well defined mission to train the children to achieve their goals. It has got good teaching faculty who can inculcate the present competitive spirit in the minds of young aspiring children. CVR School for IIT - JEE is known for its strict ethics in following teaching methodology, especially for competitive exams at National & International level. We wishing the school a prosperous future.

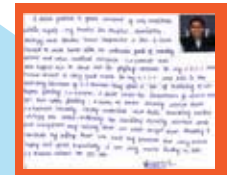

Bharat Variar .S (8TH STD),
 STUDENT SINCE 2011
K' Sirs ICSE School, CBE
 Student of
 1) **WHIZZKID - II - Two Year Classroom Program**
 2) **WHIZZKID - I - One Year Classroom Program (6th Std)**

The positive changes that I'am experiencing after joining CVR are that I've improved in Science, Maths and Mental Ability. I've got better grades in school. I came to know about exams such as NTSE, AMTI, KVPY, etc. Very good teachers and books. There's a lot to study from the books. I'm very happy to join CVR and I'm going to continue the learning experience.

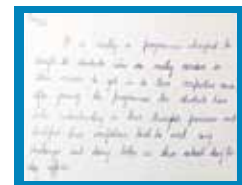

LAKSHMI PRABHA.V (11TH STD),
 STUDENT SINCE 2011
AVILA CONVENT, CBE
 Student of
 1) **GREY MATTER - Two Year Classroom Program**
 2) **EVOLVING PRODIGY -III - One Year Classroom Program (10th Std)**
 3) **EVOLVING PRODIGY -II - One Year Classroom Program (9th Std)**

I have gained a great amount of self confidence within myself. My basics in physics, Chemistry, biology and maths have improved a lot. I have started to work hard with an ultimate goal of cracking AIIMS and other medical entrance. CV RAMAN has also helped me to come out with flying colours im my SSLC exam. I have scored very good marks in my SSLC. They give a lot of training to us. Before joining CV RAMAN, I didn't know the importance of AIIMS and IIT. CV RAMAN's faculty, study material and their teaching methodology are extra - ordinary. The teaching faculty teach us each and every point very clearly that we wont forget them. Finally I conclude by saying that me and my parents are very much happy and glad; especially, I am very much lucky to be a student of CV RAMAN school for IIT - JEE

NAOMY VARGHESE (11TH STD),
 STUDENT SINCE 2013
NATIONAL MODEL MATRIC HSS,CBE
 Student of
 1) **GREY MATTER - Two Year Classroom Program**

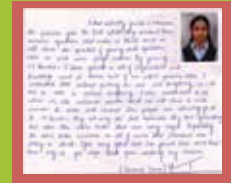

DR.M.P. VARGHESE (Parent), **REGIONAL P.F. COMMISSIONER, EPFO.**

It is really a programme designed to benefit the students who are really serious in their mission to get in to their respective area. After joining the programme the students have better understanding in their thought processes and developed their confidence level to meet any challenges and doing better in their school day to day affairs.

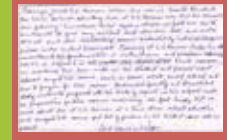

SARANYA SALIN (8th Std),
STUDENT SINCE 2012
AVILA CONVENT, CBE
 Student of
 1)WHIZZKID-2 – Two Year Classroom Program

I had actually joined CV Raman the previous year. The tests which they conduct here contains questions that makes us think and so will have the practice of facing such questions when we write some tough exams. By joining CV Raman, I have gained a lot of information and knowledge and it covers most of our school portions also. I understood that without putting our best into anything, we will not be able to achieve anything. I also understood a lot about JEE, the entrance exams which we will have to write in order to enter into IIT and how people are striving for it. In CV Raman, not only the book materials they are providing but also the extra books that are very useful. Especially the AMTI books involves a lot of sums that increase our ability to think. I feel very glad that I've joined here and that I am only a few steps behind from reaching my dreams.

Dr. K.P.SALIN (Parent), **PRINCIPAL SCIENTIST,**
SUGARCANE BREEDING INSTITUTE, CBE.

Saranya joined CV Raman when she was in seventh standard. The reason behind admitting her at CV Raman was that the school was following 'Samacheer Kalvi' system which we felt was quite inadequate to face any national level admission tests such as IIT's, PMT etc, and other scholarship exams conducted by institutes / organizations under central government. Coaching at CV Raman helps her to understand the fundamentals in Maths / Science and problem solving which is reflected in the marks she scores at the school. Moreover, an awareness has been made on the students and parents about different competitive exams such as AMTI, NTSE, KVPY, JSO etc, and how to prepare for these exams. Dedicated faculty and structured study materials prepared with the help of experts in the subjects make the preparations for these exams much easy. We feel happy that we could admit her at CV Raman at a time when school education and competitive exams put lot of pressure on the student as well as parents.

Our Journey of Success has started with . . .
